

## Community is Invited to Fire Department Open House

Lebanon Fire Department will host an Open House in conjunction with National Fire Prevention Week. The event will be held on October 5 from 1-4 p.m. at Station 41, 20 W. Silver Street. Highlights of the event will include fire prevention tips, equipment displays and refreshments.

This year's national fire prevention theme is "Working Smoke Alarms Save Lives. Test Yours Every Month!" Many people simply don't test their smoke alarms as often as needed, and during a fire, smoke spreads fast. A working smoke alarm is critical to give you time to get out. Smoke alarms save lives-test yours monthly.
