

Residents Can Help Crews Tackle Winter Storms

It's that time of the year again when snow will become a major factor in our region's weather. Plowing begins when snow is more than one-inch deep and forecasts indicate no melting will occur. The Streets Department is responsible for plowing over 180 lane miles of roadway in the City.

Snow removal priority list

Emphasis is given to primary streets during plowing, which are major thoroughfares or streets with dangerous hills or curves. These streets are given top priority to ensure services such as police, ambulances, fire trucks and emergency equipment can respond. Secondary streets, which intersect

major thoroughfares will be plowed and salted once primary streets have received treatment. Dead-end streets and cul-de-sac's will be plowed and salted last.

Road salt has its limits

Road salt loses its melting ability below 20 degrees Fahrenheit. When the temperature plunges into the teens or below, the roads in the City are treated with a salt-brine solution. The solution, which is a mixture of 23 percent salt and 67 percent water, places a salt layer on the roadways, preventing snow and ice from easily bonding to the pavement. However, when the temperatures drop for extended periods, neither salt nor salt-brine solution have much effect.

Residents can help

The community also plays a large role in assisting the City with quick and efficient snow removal. The following are tips on how residents can help:

1. Remove parked cars from the street, especially in cul-de-sacs.
2. Do not push snow into the street.
3. Clear snow from the sidewalks in front of your home or business.
4. Be patient.

Who Is Responsible For Your Street?

The City of Lebanon does not maintain all roads within the City. Private roads and roads in newly constructed subdivisions that do not have the final layer of asphalt installed are not the responsibility of the City for snow and ice removal. If you are unsure of the status of your subdivision or have further questions, please contact the Engineering Department at 228-3130.

The following streets are private roads and are not under the jurisdiction of the City of Lebanon for roadway/curb & gutter repairs or snow and ice removal. Residents should contact their Home Owners Association, developer, or property manager.

- **Cedar Ridge Subdivision:** Cedar Ct., Cedar Cove, Cypress Court, Capeway, Pine Ridge Ct., Ridge Ct.
- **Hathaway Commons:** Hathaway Commons Dr.
- **Horseshoe Falls:** Horseshoe Falls Dr., Overlook Trl.

- **Hunters Run Apts.:** Hunters Run Dr. (south of Belvedere Dr.)
- **Inverness Subdivision:** Clover Lane West, Clover Lane East
- **Shaker Trace Subdivision:** Shaker Run Rd., Montclair Ct., Claridge Ct., Spring House Ct.
- **Sterling Chase North:** Nelson Lane, Barnard Ct., Dillon Way, Dominick Cir.

Additionally, the City does not perform ice and/or snow removal on newly constructed subdivision streets that do not have the final layer of asphalt installed.

The following streets are not the responsibility of the City of Lebanon for snow & ice removal. Residents should contact the developer of the subdivision for snow and ice removal:

- **Walnut Creek Sec. 3; Potterhill Homes LLC (513) 575-1491:** Hubbell Ct, Raintree Trail between 30 & 402 Raintree Trail.

Giving Tree Helps Local Families in Need

The City of Lebanon Giving Tree will begin in early November.

The Giving Tree gives local residents and businesses the opportunity to provide local needy children in the Lebanon City School District with new clothing.

The Giving Tree will be located in the City Building, and will have cards that list a child's name, age and clothing sizes, and applications to have a child's name put on the giving tree will be available beginning on November 1. Anyone wishing to donate to the program but is unable to shop, may purchase a gift card from a local store, such as Walmart, Target, or Kohls to help our local children in need.

If you have any questions or would like to participate, please call the Service Department at 933-7200.

2016 Giving Tree Schedule

November 1

Begin accepting applications for Giving Tree

November 9

Tree goes up at the Service Dept. desk

November 30

Deadline for accepting applications

December 5

Deadline to return gifts to the City Building

December 10

Pickup day for Gifts

Is Your Beagle Legal?
